### ► THE USDA's BRANDED PROGRAM

Through funding from the USDA's Market Access Program (MAP), your company may be eligible to receive 50% reimbursement on marketing expenses through the Branded Program. This financial support helps offset the costs of exhibiting at trade shows, including: booth fees and displays, freight costs to shows, plus we help with packaging changes to meet market specifications for your new sales and distribution. For more information on the Branded Program contact your local State Regional Trade Group: [www.foodexport.org](http://www.foodexport.org) (Food Export-Midwest and Food Export-Northeast), [www.susta.org/services/map.html](http://www.susta.org/services/map.html) (SUSTA - South), [www.wusata.org](http://www.wusata.org) (WUSATA - Western US).

#### **About the SRTGs\*:**

The four State Regional Trade Groups (SRTGs) include Food Export Association of the Midwest USA, Food Export USA – Northeast, Southern United States Trade Association, and Western United States Agricultural Trade Association. These organizations provide a full range of programs and services to assist companies with their export efforts. The SRTGs work closely with state Departments of Agriculture and administer many services through Market Access Program (MAP) funding from the USDA's Foreign Agricultural Service (FAS).

\*Representations of the State Regional Trade Groups (SRTGs) DOES NOT imply any endorsement of this show or organization(s) by the trade associations.
